

BECAUSE EVERY CHILD MATTERS TO JESUS

... We will tell the next generation the praiseworthy deeds of the LORD,
His power, and the wonders He has done. Psalm 78:4

KID'S BIBLE CLUBS 2018

It has been an exciting and busy year for us as we moved to our new location of New Victoria Baptist Church, but with the same assignment as always described in our mission statement- "Believing we have eternal hope through Jesus Christ, the mission of Kid's Bible Clubs Ministries is to seek out lost children who do not attend church or live in Christian homes and provide them with a Christ-centered, spiritual foundation where they can hear the gospel, come to Jesus and grow in Him." Now, when we say "we," that means "us" including those who give, pray or work behind the scenes! In our current culture, many times the Christian faith is not looked at in a positive light at all. Changing this begins with "us", the people of God. It is more important than ever to depend on His power to put us on top of our game, being salt and light to those around us. Even here in the Bible belt we meet kids all the time who associate the words, "God", "Christ" and "Jesus" as nothing special, an empty expression or at worse, curse words. A handful have even stated they did not know what a Bible was! Thank you to New Victoria, Forever Fed, and Shepherd's Plate who house and feed our kids and all of you who make up the "us". Because of you, kids heard the plan of salvation multiple times and close to 30 indicated their desire to receive Jesus as their Savior this year. What a joy to watch Him transform hearts such as those of those pictured below holding up their Baptism certificates and leading worship!

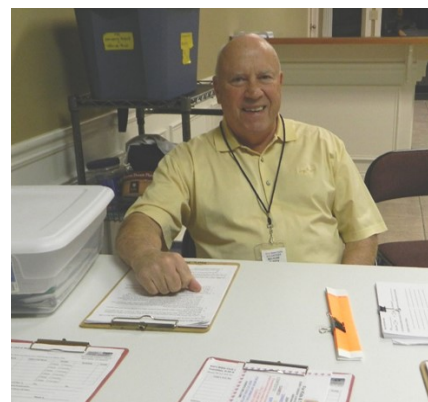

A KBC LEADER MINUTE WITH DAVE & MARLA REA

When Dave and I made our downsizing move to Woodstock in 2013 we were deeply grateful for God's hand in our move. We prayed God would lead us to a ministry where we could serve Jesus. Four months later I was invited to join KBC as a teacher's helper. I saw these young girls every week excited to learn about Jesus, share their lives and pray for each other. The following year, I asked Dave if he would help out KBC at the front desk each Tuesday. He'd already heard so

much about KBC... So... Yes!

Then I was asked to co-teach 4th grade girls. The opportunity to reach these fresh hearts for Jesus is the best part, but also

as we teach through the books of the Bible, God is stretching me and deepening my own faith. Then Miss Marie needed someone to lead the annual Happy Birthday Jesus gift packing. Dave and I responded and we have been richly blessed. Our church small group is helping and it is a great time of fellowship as we pack each gift bag with care and prayer. KBC is a special ministry, reaching so many kids for Christ. God had a place in mind for us and we are humbled to be a small part of KBC's impact in the community.

MEET THE KIDS

Hi, I'm Rhiah Morse. I'm an 11 year-old girl. I come to KBC to learn about my Lord and Savior. I also like coming to KBC because it helps me make friends and helps with my social anxiety. I go to Camp Grace because it gives me time away from emotional stress. Your donations

mean everything to me and a lot of other kids at KBC. Thank you for all that you do for us. *Rhiah Morse*

The reason why I go to KBC is because I want a better relationship with God. I think it's good to have a relationship with Him so I can go to heaven and be a better person in this life. It taught me so much! Also, I just want to say thank you for giving me the opportunity to go to Camp Grace and learn more about our savior, Jesus Christ. I am so much better because of it. *Kenya Washington*

Hey, my name is Joshua and I am 13. I am so grateful for everything that has been donated to KBC and just knowing there are people who care about people they don't even know. Everything done at KBC helps all of us to be more positive and more forward thinking about life. We are all so blessed. One of my favorite times at KBC is going to VBS. I just thank you from the bottom of my heart. Thank you for everything you have done and God bless you! *Joshua Harding*

Hello, my name is Jacob Ramos and I have been going to KBC for 6 years. I came because I really wanted to learn how to love God and to know more about Jesus. I learned God can fully forgive me for my sins, so I asked Him to do this for me. Then I was baptized along with some other kids at KBC on October 30, 2018.

Well, where do I even start? Kid's Bible Club has been a great place for me to go every Tuesday to talk about Jesus. If you want to learn more about Him and ask any question, it is the place to go. We pray and can talk about our problems. I've been at KBC since I was in Pre-K and I've always gone every Tuesday. *Heidi Garcia*

Kid's Bible Clubs is a non-profit Christian ministry dedicated to reaching at-risk youth in low income areas of our community with the Good News of Jesus Christ. Since 1999, we have provided opportunities for kids to begin their journey to know and grow in a relationship with their Creator. We provide transportation for children to attend our weekly program. Each child is given a Bible and we also connect them with numerous local churches, events and Christian ministries that point them to the Savior. We are prayed for and funded by generous Christians who want to be used by God to make a difference in the lives of kids.

THANK YOU!

We believe Jesus taught in a way that was relevant to those He communicated with so in addition to covering costs for our weekly program, camps, Christmas outreach, etc. your donations are used to provide the most understandable hardcover study Bibles that we can afford (pictured here) for each age group we minister to. The honor of gifting kids with these beautiful Bibles containing the life-changing Word of God as we partner together is truly a great treasure!
