... We will tell the next generation the praiseworthy deeds of the LORD,  
His power, and the wonders He has done. Psalm 78:4

## KID'S BIBLE CLUBS 2013

The staff at Kid's Bible Clubs wish to thank you once again for your faithful love and support. We are grateful for your alliance and passion for our Savior that compels us to follow His call to KBC- sharing His story with unchurched young people in our neighborhoods! During 2013, we introduced our youngest students to God's Word through classic Bible stories, led the elementary students in Bible studies on topics including creation science and the armor of God while our middle and high school kids learned the difference between being a "follower" and a "fan". Our partnering churches have enabled us to further enhance our outreach by hosting our kids at their Vacation Bible Schools, serving as guest speakers and music leaders at our worship services, providing Christmas gifts for the kids and sharing space for our programs and fundraisers to keep us afloat. Caring Christian ministries fed our kids and their families nutritious meals and furnished clothing and school supplies. Supporters gave and volunteered making our YMCA Camp a Christ honoring time to remember. Denominational walls came down as the community of faith once again banded together on the foundation of Christ, beaming His light into the lives of our kids! **I have given them the glory that you gave me, that they may be one as we are one— I in them and you in me—so that they may be brought to complete unity. Then the world will know that you sent me and have loved them even as you have loved me. John 17:22-23**

## A KBC TEACHER MINUTE WITH DAVID BRYANT

My time at KBC has been awesome and a huge blessing in my life. This is not just some Bible study program that I volunteer at or something to put under my Christian belt, but I was an at-risk child growing up in the projects of Detroit, Michigan. I was so lost, hurt and abused as a kid and I wish there would have been a KBC for me to attend.

Growing up I loved to draw and make arts & craft projects. I love seeing the faces of my 3rd grade boys when they come to class on Tuesday excited about what we will make to learn about Jesus, His love and protection over us.

A lot of kids I grew up with are no longer living and I really do believe a program like KBC in Detroit would

have changed that. I have been saved for almost three years now and I'm so blessed that God chose me to be a part of these kids' lives and what He is doing at KBC. Because of my time here, I have fallen more in love with Jesus and the things He loves. I have started missionary school at the Antioch Center for Training and Sending and I really am home sick right now, not for home cooked meals or being in my comfort zone, but because I want to be back teaching my 3rd grade boys, showing the love of God serving through KBC. I pray that the Lord would bless every volunteer, supporter, intercessor who prays for KBC, every kid and all their families!

## MEET THE KIDS

Kassidy Sellers is a student at Woodstock High School. We have been blessed to watch her grow up and in January 2014, she will begin a serving as a teacher's assistant in our pre-school group. She says, "KBC has meant a lot to me. I've been going since I was in the 5<sup>th</sup> grade and now I am in the 9<sup>th</sup>. During this time, I learned a lot about Christ. I know and believe more in the Lord. To those who support KBC, I want to say thanks for all you do so, thank you!"

Hi my name is James and since I came to KBC I learned to always pray because it helps me know I am with Christ. I see my friends and my fun teachers. We get to eat, talk and laugh. We even sometimes have games and once we had this football game which was the best

of all but that's my opinion about it. My teacher Brandon likes to play football and we both threw the ball so hard it hurt our arms! You never know what's coming up. —James Gilreath

The reason I come to KBC is to learn about God and I have been coming about 4 years and have always loved going. I have a friend that doesn't believe in God and I try and try to get him to believe. But he just doesn't believe enough. And a lot of people know that Jesus died for our sin and some people just don't care about it. But I care about Jesus. I love Him with all my heart and I won't ever forget about him. And the camp you get to go to—everyone loves it for the fun but I go to learn about God and have fun. And if you give God all your heart, you can get baptized at KBC. Everything there is just so great.

*Kid's Bible Clubs is a non-profit Christian ministry dedicated to reaching at-risk youth in low income areas of our community with the Good News of Jesus Christ. Since 1999, we have provided opportunities for kids to begin their journey to know and grow in a relationship with their Creator through the beautiful door that was opened by His precious Son. Staffed by over 40 dedicated volunteers, we provide transportation for approximately 200 children to attend our weekly Bible Study program. Each child is given a Bible and we also connect them to numerous local churches and Christian ministries that point them to the Savior. We are prayed for and funded by generous Christians who want to be used by God to make a difference in the lives of kids. Join us!*

## HAPPY BIRTHDAY JESUS PARTY 2013

This event is an anticipated evening for our children and volunteers (past and present) and we are thankful to God for allowing us to serve them in a way to bring them closer to Jesus Christ. Well over 500 children and parents from low income areas received Christmas presents including bilingual Jesus DVDs. Our guests always have the opportunity to respond to the gospel and 42 decision cards were turned in of those who made decisions for Jesus or wanted to know more about how to be saved. It is amazing to watch each year as God brings us through every obstacle to pull things together. Bascomb UMC members stepped in to help set up and take down as did the UMM, the Boy Scout Troop and their dads housed on the same property, and crews from FBC Canton and Watermark. This was a multi-site event so after the programs, families arriving in their own vehicles were given cake and gifts at CrossRoads Community Church, our home base, while those arriving on buses and vans stayed put at Bascomb UMC. A big shout out to Pastors Bob Goodner, Harden Hopper and Jorge Rojas for your support!

Speakers, musicians and puppetry teams from FBC Woodstock and Canton, Casa De Libertad and Passion City Church ministered the Word and the pure message of Christmas! Many others from all over the county contributed toys and gifts; now, that's what church is all about- coming together for the good of the lost. We love you all and give ALL glory to Him who is worthy!

Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace.  
Ephesians 6:13-15
